Part-time Covenant Foundation grant request reminder

If you have a Covenant Foundation grant student that is attending only **part – time**, please contact Garth Beyer prior to requesting the grant for vouchering. Garth will need to make some adjustments to the record in order for the request to be processed. Once he receives your notification, he will adjust the record and the request will be processed. On the next notification list you will note that there will be a **“P” listed under the field “Cov Doc Type”**, this is the indicator that identifies the student as part-time. **You’ll need to contact Garth again for second semester for those students that were part-time to let him know if their enrollment status has changed or remained the same.** Please contact Garth at 608-267-9389 or garth.beyer@wisconsin.gov.
