FIRST VOUCHER FOR 1314 – AUGUST 9, 2013

The first voucher for 13-14 will be Friday, August 9th, 2013. You will be able to upload your requests beginning the week of July 29th.

Social Security Numbers

Beginning with the 13-14 academic year, HEAB is loading only those ISIR's with a perfect SSA match flag of "4" in order to reduce the SSN problems of the last few years. Although we are trying to keep our records from being overwritten this problem can still occur and below is an example – Student A files a complete ISIR with a SSA match flag = 4 in March. That "F01" record is loaded into our system. Student B files an ISIR under student A's SSN in April and gets a SSA match flag of 3 and that record is not loaded. Student B files a SSN correction on the original ISIR in May and gets an SSA match flag of 4 but this record is not loaded and because it is an F02, student A's record is overwritten with student B's information.

We would like to recommend that students who have filed with an **incorrect SSN re-file** under their correct social security number and **NOT** make a correction to the existing record in order to prevent this problem.

Covenant Grant Program Update

Please review your 13-14 notification lists to make sure that you have added the Covenant grant to eligible students' financial aid packages. Also, please check any transfer students that may be eligible.
