#### AGENCY DESCRIPTION

The board is a part-time independent policymaking board composed of 11 members consisting of the State Superintendent of Public Instruction and 10 members appointed to serve at the pleasure of the Governor. The Governor appoints one member from the Board of Regents of the University of Wisconsin System; one member from the Wisconsin Technical College System Board; one member who is a trustee of an independent college or university to represent such independent institutions; one student and one financial aid administrator each from within the University of Wisconsin System, Wisconsin Technical College System and independent institutions; and one citizen member to represent the general public.

The executive secretary is appointed by and serves at the pleasure of the Governor. The executive secretary makes policy recommendations to the board; carries out policy directives from the Governor, Legislature and board; and is responsible for initiating and carrying out all administrative direction and responsibilities of the agency. All permanent agency staff members are in the classified service. The agency is composed of two areas: programs and policy (student support activities), and administration and fiscal services.

The board administers the state programs of financial aid, including scholarship, grant and loan programs; the Minnesota-Wisconsin reciprocity agreement; a contract for dental education services; and the contracts associated with the Medical College of Wisconsin. The agency's activities are organized into two programs. Program one includes the following subprograms which provide financial support to individuals: Academic Excellence Scholarship, Dental Education Contract (Capitation) Program, Dual Enrollment Credential Grant, Impaired Student Grant, Health Shortage Scholarship Program, Indian Student Assistance Grant, Medical College of WI (Capitation) Program, Minnesota-Wisconsin Reciprocity Program, Minority Undergraduate Grant, Minority Teacher Loan, Nursing Student Loan, Primary Care and Psychiatrist Shortage Grant, Talent Incentive Program Grant, Teacher Loan Program, Teacher of the Visually Impaired Loan Program, Technical Excellence Scholarship, and the Wisconsin Grant (University of Wisconsin, Technical Colleges, Private Nonprofit, and Tribal College) programs. Program two includes the costs of administering the activities grouped under program one along with servicing contracts with the Medical College of Wisconsin and the John R. Justice Grant.

### MISSION

The mission of the board is to ensure that all students are provided equal access and diversity in obtaining a higher education and to make certain the funds for each program the board administers are distributed in a fair, equitable and timely manner.

### PROGRAMS, GOALS, OBJECTIVES AND ACTIVITIES

Note: Goals, objectives and activities have been revised.

#### Program 1: Student Support Activities

Goal: Keep the best and the brightest in the State of Wisconsin.

Objective/Activity: Academic Excellence Scholarships are awarded to Wisconsin high school seniors who have the highest-grade point average in each public and private high school throughout the State of Wisconsin. The number of scholarships each high school is eligible for is based on total student enrollment. In order to receive a scholarship, a student must be enrolled on a full-time basis by September 30th of the academic year following the academic year in which he or she was designated a scholar at a participating University of Wisconsin, Wisconsin technical college or independent institution in the state. The value of the scholarship is \$2,250 per year, to be applied towards tuition. Half of the scholarship is funded by the state, while the other half is funded by the institution.

Goal: Increase the number of minority teachers in the State of Wisconsin.

Objective/Activity: The Minority Teacher Loan Program provides loans to Wisconsin resident, minority, undergraduate juniors or seniors who are enrolled at least half-time in programs leading to teacher licensure at independent or University of Wisconsin institutions. Students must be enrolled in programs leading to teacher licensure in a discipline identified as a teacher shortage area for the state of Wisconsin by the United States Department of Education and have an overall GPA of 3.0 or higher based on a 4.0 schedule. The maximum award per year is \$10,000 with an overall maximum of \$30,000. According to the statutes, a minority student is defined as a student who is an African American; American Indian or Alaskan native; Hispanic; or Asian or Pacific Island origin or whose ancestry is two or more races. The student who participates in this program must agree to teach full-time, in an elementary or secondary school in a Wisconsin school district with a 40% or higher minority student population. For each year, the student teaches in an elementary or secondary school in Wisconsin, the loan must be repaid at an interest rate of 5 percent.

Proposal under s. 16.42(4)(b)2.: 0% change in each fiscal year FY: FY22 Agency: HEAB - 235

Exclusions: Federal Debt Service

Columns A-G were prepopulated for agencies to reflect state operations adjusted base and reductions agreed to by DOA and LFB. See Appendix H for instructions on how to complete these templates.

Proposed \$ and Proposed FTE columns reflect total agency proposed spending and positions for indicated fiscal year. These amounts should include standard budget adjustments (SBAs), any proposed reallocations or reductions to meet the target, and any other requests that the agency would want considered under this proposal.

Appropriations with zero dollars and zero FTEs are not loaded into the template. If you have any questions, contact your SBO analyst.

IF YOUR AGENCY PLANS TO TAKE THE SAME CUTS OVER BOTH YEARS, YOU SHOULD ONLY FILL OUT ONE GRID FOR 0% GROWTH AND ONE GRID FOR 5% REDUCTION, THEN CHANGE FY22 TO FY22 AND 23.
