Higher Educational Aids Board

Report #10-05

Northland Bible Baptist College

(Now known as Northland International University)

The Issue

At the Board meeting on August 7, 2009 the board voted to table the issue of Northland International University's appeal for state financial aid. The Board requested that more information be gathered before a decision was made.

Executive Secretary Connie Hutchison, and Sherrie Nelson, HEAB Administrative Policy Advisor, talked by phone with Fred Sellers and Greg Gerrans from the US Department of Education. The US Department of Education recommended that HEAB allow TRACS accreditation as this organization is recognized by the US DOE for purposes of federal financial aid.

Recommendation

Connie Hutchison recommends that Northland International University be recognized by HEAB for participation in HEAB administered financial aid programs.
