

**STATE OF WISCONSIN
HIGHER EDUCATIONAL AIDS BOARD**

**MEETING OF THE BOARD
NOVEMBER 12, 2025**

HIGHER EDUCATIONAL AIDS BOARD

Mr. Robert Bode (Chair)

University of Wisconsin – River Falls
Univ. of Wisconsin System Administration
Financial Aid Representative
Phone: (715) 425-3141
robert.bode@uwrf.edu
Term Ends: May 1, 2026

Ms. Pamela Lowrey

Gateway Technical College
Wisconsin Technical College System
Financial Aid Representative
Phone: (262) 564-2670
lowreyp@gtc.edu
Term Ends: May 1, 2026

Mr. Kyle Weatherly

University of Wisconsin System Administration
Board of Regents
Phone: 414-698-9971
kyle.weatherly@gmail.com
Term Ends: May 1, 2026

Ms. Sanda Hyer

Wisconsin Technical College System
Student Representative
Phone: (920) 892-8652
hyer33654@gotoltc.edu
Term Ends: May 1, 2026

Ms. Sydney Brennan

University of Wisconsin System Administration
Student Representative
Phone: (715) 559-7110
sydneylbrennan@gmail.com
Term Ends: May 1, 2026

Ms. Veronica Kaluta

Independent Colleges and Universities
Student Representative
Phone: (207) 691-7563
vkaluta16@gmail.com
Term Ends: May 1, 2027

Mr. Jeff Neubauer

Independent Colleges and Universities
Board Representative
Phone: (414) 870-2227
jeff.neubauer@career2cradle.org
Term ends: May 1, 2026

Mr. Kevin Sheridan

Independent Colleges and Universities
Financial Aid Representative
Phone: (262) 243-2620
Kevin.Sheridan@cuw.edu
Term ends: May 1, 2028

Ms. Jennifer Garrett

Assistant Deputy Secretary DSPS
Public-At-Large Representative
Phone: (608) 266-6795
jennifer.garrett@wisconsin.edu
Term Ends: May 1, 2027

Ms. Jennifer Kammerud

Senior Policy Advisor, Office of State Superintendent
Dept. of Public Instruction
Superintendent/Designee
Phone: (608) 266-7073
jennifer.kammerud@dpi.wi.gov
Term Ends: Indefinite

Dr. Quincey Daniels Jr.(Secretary)

Wisconsin Technical College System
Board Representative
Phone: (608) 855-0216
professorqdaniels@gmail.com
Term ends: May 1, 2027

Ex-Officio Member

Karen Breit

Interim President, Lac Courte Oreilles Ojibwa University
Tribal Colleges
Phone: (715) 634-4790
Kbreit@lco.edu

Tony Evers
Governor

Tammie DeVooght-Blaney
Executive Secretary

HIGHER EDUCATIONAL AIDS BOARD **Wednesday, November 12, 2025; 9:00 am** **CALL: 608-571-2209** **PASSCODE: #342 506 576**

AGENDA

1. Call to Order
 - a. Introduction of Board Members
 - b. Introduction of Meeting attendees
2. Approval of the meeting minutes, July 25, 2025 ACTION
3. Report of the Executive Secretary
4. Special Orders
 - a. Consideration of Board Reports
 - #26-03 24-25 Student Aid Expenditures Report INFORMATION
 - #26-04 23-25 Biennial Budget Report INFORMATION
 - #26-05 24-25 MURG Annual Report INFORMATION
 - #26-06 24-25 AES Program Report INFORMATION
 - #26-07 24-25 TES Program Report INFORMATION
 - #26-08 25-26 WI Grant Formula Private Non-Profit Colleges Request ACTION
 - #26-09 25-26 WI Grant Formula Technical Colleges Request ACTION
 - #26-10 25-26 WI Grant Formula Tribal Colleges Request ACTION
 - #26-11 25-26 WI Grant Formula Universities of WI Request ACTION
5. Old Business
 - a.
6. New Business
 - a.
7. Adjournment

State of Wisconsin

Higher Educational Aids Board Meeting Minutes Friday, July 25, 2025

HEAB Board Present: Robert Bode, Jeff Neubauer, Karen Breit, Dr. Quincey Daniels, Jennifer Garrett, Sandra Hyer, Veronica Kaluta, Kevin Sheridan, and Kyle Weatherly.

HEAB Staff Present: Tammie DeVooght Blaney, Sherrie Nelson, Joy Dyer, Kelly Day, Peter Zammuto, and Elizabeth Misel.

Others Present: Rebecca Larson, Linh Anh Le, Eric Fulcomer WAICU; Mary Czech-Mrochinski, Nicole Johnson, Mark Levine Marquette; Todd Bailey, Mickie Krall UW System; John Whitt, Scott Adrian UW-Madison; Brandon Trujillo, Julie Tyznik WTCS; and Chris Caldwell CMN.

Board Chair Robert Bode called the meeting to order at 9:01 am.

APPROVAL OF MINUTES

Chair Bode asked for a motion to approve the February 25, 2025, meeting minutes. Kevin Sheridan made the motion, seconded by Jeff Neubauer, to approve the meeting minutes. Motion passed.

REPORT OF THE EXECUTIVE SECRETARY

Tammie DeVooght Blaney provided updates on the following: the GLASS system and the 2025-2027 State Budget.

SPECIAL ORDERS

Meeting Dates

Friday, October 24, 2025
Friday, February 20, 2026
Friday, April 17, 2026
Friday, July 24, 2026

Election of Officers

President – Robert Bode
Vice President – Jeff Neubauer
Secretary – Dr. Quincey Daniels

OLD BUSINESS

Voting status for Tribal Board member. HEAB has contacted the Governor's office earlier and will continue to pursue and will report for the October meeting.

NEW BUSINESS

No new business

ADJOURNMENT

Chair Bode made a motion to adjourn, moved by Sandra Hyer, seconded by Kyle Weatherly, all approved. The meeting adjourned at 9:58 am.

FUTURE MEETINGS

Friday, February 20, 2026

Friday, April 17, 2026

Friday, July 24, 2026

Respectfully submitted,

Dr. Quincey Daniels, Secretary

Wisconsin Grant Tribal Colleges *	33
Wisconsin Grant University of Wisconsin System *	34
Wisconsin Grant Wisconsin Technical Colleges *	35

Various Additional Programs Managed by the Higher Educational Aids Board

Remission of Tuition and Fees for Veterans and Dependents	36
Wisconsin Veteran's Grant for Private Non-Profit Schools	37
Health Services Scholarship Program	38
MN-WI Tuition Reciprocity	38
Primary Care & Psychiatry Shortage Grant	38
School Leadership Loan Program	39
Tribal College Payment	39

*FAFSA changes are reflected as of the 2024-25 academic year. The major change seen to this report are the reporting of Year in School. Previously available were Freshman (1st year), Sophomore (2nd year), Junior (3rd year), Senior (4th year) and 5th year Senior. Year in School now reports First Year (Freshman), Second Year (Sophomore) and has eliminated the 3rd, 4th and 5th year categories and put them together in Other Undergraduate (Junior or Senior).

*FAFSA changes are reflected as of the 2024-25 academic year. The major change seen to this report are the reporting of Year in School. Previously available were Freshman (1st year), Sophomore (2nd year), Junior (3rd year), Senior (4th year) and 5th year Senior. Year in School now reports First Year (Freshman), Second Year (Sophomore) and has eliminated the 3rd, 4th and 5th year categories and put them together in Other Undergraduate (Junior or Senior). This program does not award Freshman students.

*FAFSA changes are reflected as of the 2024-25 academic year. The major change seen to this report are the reporting of Year in School. Previously available were Freshman (1st year), Sophomore (2nd year), Junior (3rd year), Senior (4th year) and 5th year Senior. Year in School now reports First Year (Freshman) , Second Year (Sophomore) and has eliminated the 3rd, 4th and 5th year categories and put them together in Other Undergraduate (Junior or Senior).

AGENCY STRUCTURE

The Higher Educational Aids Board is a part-time, independent policy-making board composed of eleven members appointed to serve at the pleasure of the Governor. The Governor appoints one member from the Board of Regents of the University of Wisconsin System; one member from the State Board of the Wisconsin Technical College System; one member who is a trustee of an independent college or university to represent such independent institutions; one student and one financial aid administrator each from within the University of Wisconsin System, Wisconsin Technical College System Board and independent institutions; one citizen member to represent the general public; the state superintendent of public instruction; and representatives from the Tribal Colleges serve in an ex-officio role.

The Executive Secretary is appointed by and serves at the pleasure of the Governor. The Executive Secretary makes policy recommendations to the Board; carries out policy directives from the Governor, Legislature, and Board; and is responsible for initiating and carrying out all administrative direction and responsibilities of the agency. All other permanent agency staff are in the classified service. During the 2023-2025 biennium, total agency staff did not exceed 11 individuals. The functional organizational chart of the agency reflects the most recent structure.

AGENCY MISSION

"The Wisconsin Higher Educational Aids Board will work to ensure that all Wisconsin residents are provided with equal access to higher education, to promote diversity on Wisconsin college and university campuses, and to distribute all funds in HEAB administered programs using fair, equitable, and timely procedures."

AGENCY FUNCTIONS

The agency's major operational responsibilities during 2023-2025 include three distinct categories which include grant/scholarship/loan programs, tuition capitation programs, and reciprocal agreements.

The state's student grant/scholarship/loan programs totaled the expenditures of over \$261,214,322 during 2023-2025. All these funds were secured from General Purpose Revenue tax funds. Student participation in most of these programs is based upon the federally determined student and/or parental contributions, and hence the financial need of the student recipients. Total awards exceeded 123,708 from over 293,046 Wisconsin resident undergraduates who applied for assistance during the biennium.

- The largest grant program is the **Wisconsin Grant (WG)** that serves the four sectors – University Colleges (UW), Technical Colleges (TC), Private Non-Profit Colleges (PNP), and the Tribal Colleges (TR).
- **Academic Excellence Scholarships (AES)** are awarded to Wisconsin high school seniors who have the highest grade point average in each public and private high school throughout the State of Wisconsin.
- **Technical Excellence Scholarships (TES)** are awarded to Wisconsin high school seniors who have the highest demonstrated level of proficiency in technical education subjects. The scholarships are only for use at a school within the Wisconsin Technical College System (WTCS) located within the state.
- The loan programs consist of: The **Minority Teacher loan program** provides loans to WI resident minority, undergraduate sophomore, juniors, or seniors who are enrolled in programs leading to teacher licensure at an independent or UW institution; **Nursing Student loan program** provides loans to WI residents who are enrolled in a program that prepares them to be licensed as nurses, either RN or LPN; **Teacher of the Visually Impaired Loan** provides loans to WI residents in a program that prepares them to be licensed as teachers of the visually impaired or as orientation and mobility instructors; **Teacher loan program** is specific to WI resident undergraduate sophomores, juniors, seniors enrolled in a program leading to teacher licensure in a discipline identified as a teacher shortage area; and the **School Leadership loan program** provides loans to students enrolled in a school leadership program at a UW System school that permits students to earn degrees in less time than a traditional school leadership program and are nominated by a superintendent of a school district; **Nurse Educator Program** provides funds to nurses who want to advance their career and become a Nurse Educator in Wisconsin.

In addition to the programs mentioned above, HEAB is responsible for the remission of fees and reimbursement to the UW and Technical College for veterans and dependents, WI Veteran Grant for Private Non-Profit Schools, Health Services Scholarship Program, Primary Care and Psychiatry Shortage Grant, Dental Scholarship Program, and the Tribal College payment to the tribal schools.

HEAB continues the collection of outstanding loans, including Minority Teacher Loan, Teacher Loan, Health Services Scholarship Program, Nurse Educator Program, Nursing Student Loan, School Leadership Loan Program, and the Teacher of the Visually Impaired Loan.

Two tuition capitation agreements comprise another major operational responsibility of the agency. The Board has tuition capitation agreements with both the Medical College of Wisconsin and Marquette University School of Dentistry. These agreements provide funds to the two institutions to train Wisconsin residents as physicians and dentists. During 2023-2025, the total appropriation on behalf of the Medical College was \$3,853,200, and \$3,440,005 for the School of Dentistry for resident student tuition capitation purposes.

HEAB's third major function continues to be the administration of the Minnesota-Wisconsin Reciprocity Program in conjunction with the Minnesota Higher Education Services Office. A total of 14,468 Wisconsin residents participated in the program 2021-2022 and 2022-2023 by enrolling in Minnesota public institutions.

PRESENT BOARD POLICIES

In 1968, a rationale and policy framework for Wisconsin's Student Financial Aid Structure was established. Today, in 2025, the rational and policy framework continues to operate. Essentially, there are two broad goals and seven operational policies that serve to implement the broader goals. The two broad goals, Universal Educational Opportunity and Educational Diversity or "Freedom of Choice," are looked upon as educational goals that can be achieved in part through the financial aid structure.

The first goal of Universal Educational Opportunity is to eliminate financial barriers and thereby ensure an educational opportunity for all Wisconsin citizens commensurate with their desires and abilities. This goal suggests that it is the primary purpose of the student financial aid structure to ensure an educational opportunity for all citizens commensurate with their desires and abilities, regardless of their financial circumstances. This goal does not imply that the same educational experience needs to be provided to all students, but it does suggest that all students be given an equal opportunity to pursue an education consistent with their individual abilities, interests, and ambitions. It has been recognized that if society achieves the goal of equality of opportunity, it must first ensure the equality of educational opportunities. As a result of the technological revolution, the knowledge explosion, and the development of a highly skilled and complex society, education has become the most important key to the "American Dream." Educational investment in human resources has a direct impact on the economic and technological development of the nation. Students need to possess 21st-century skills such as problem-solving and critical thinking, entrepreneurship, and creativity. Education is no longer just a pathway to opportunity and success but a prerequisite. This circular relationship between providing universal educational opportunity results in benefits which accrue to society in addition to those which accrue directly to the individual in terms of personal fulfillment and economic security. Every citizen has a right to participate in the economic, social, and political aspects of our society. Education provides the opportunity to exercise this right of full participation and, consequently, must be made equally available to all.

The second goal of the Financial Aid Structure is to support educational diversity by allowing students the freedom to choose among the various educational offerings. Educational diversity encompasses a wide range of academic environments, programs, and course offerings, as well as diversity in sponsorship, such as public and private. A comprehensive educational environment offers technical training in addition to collegiate programs not of the technical nature; one- and two-year programs as well as four-year programs, whether they are traditional campus programs or online. The diversity issue generally concentrates on the need to preserve the strength and vitality of private schools of higher education for the following reasons:

1. To assure students the opportunity of selecting an institution on such bases as academic program, campus environment, size, etc.
2. To stimulate healthy competition in seeking distinctions, whether by innovations in program or by quality achievements.
3. To maximize the use of educational resources, including faculties, facilities, etc.

In order to implement the two goals described, the following operational policies were established to serve as the guideposts of the Financial Aid Structure.

1. The first operational policy designed to implement the goals of the Financial Aid Structure is that **financial aid be distributed based on the student's financial need** to maximize financial resources and thereby ensure an educational opportunity to the greatest number of students.
2. The second operational policy designed primarily to implement the goal of educational diversity or freedom of choice, is **equalization**. Equalization supports diversity and ensures freedom of choice by placing all students in the same relative position vis' a vis' governmental instructional subsidies.
3. The third operational policy, **awarding for excellence**, requires that academic excellence be recognized.
4. The fourth operational policy, **shared responsibility**, recognizes the multiple responsibilities of the student, the student's parent/s or spouse, government, and private sources to contribute to educational costs.
5. The fifth policy, **recognizing the unique financial needs of the disadvantaged**, suggests that it is a responsibility of the financial aid structure to recognize and relate to the unique financial needs of the economically disadvantaged.
6. The policy, **maximization of resources**, emphasizes the need to maximize the contribution of financial aid resources provided by all sources, including students, spouses, parents, government, institutions, and private sponsors.
7. The last policy, **administrative coordination, and simplicity**, recognizes the importance of providing a coordinated, equitable, efficient, and responsive administrative framework designed to implement the other policies enumerated above. The enactment of the State's financial aid programs and subsequent assignment of these programs to the Higher Educational Aids Board points out the desirability of ensuring an orderly development and coordination of the State's Financial Aid Structure as well as equitable, efficient, and responsive distribution mechanisms. To best serve the body of Wisconsin students who are attending a wide range of schools, including public and private, in-state as well as out-of-state, two-year programs and four-year programs, coordinated State financial aid programs are essential. Meeting this requirement and, in addition, fulfilling the Legislative mandate of providing an annual review of the State's Financial Aid Structure, suggests that a single governmental body should be responsible for the administrative coordination of the State's financial aid programs.

To summarize, the State Student Financial Aid Policy Framework is as follows:

I. Goals of the Financial Aid Structure

- A. Removal of all financial barriers to ensure an Educational Opportunity for all Wisconsin citizens commensurate with their desires and abilities.
- B. Support of Educational Diversity by allowing students the freedom to choose educational programs based on their interests and abilities.

II. Operational Policies

- A. Distribution of student financial aid is based on the student's financial need to maximize financial resources and thereby ensure an educational opportunity for the greatest number of students.
- B. Equalization of the instructional subsidy paid on behalf of students, thereby ensuring maximum freedom of choice.
- C. Recognition of academic excellence.
- D. Recognition of the multiple responsibilities of the student, the student's parent/s or spouse, government, and private sources to contribute to educational costs.
- E. Recognition of the unique financial needs of the economically and educationally disadvantaged.
- F. Maximization of the financial aid resources provided by all sources, including students, the student's parent/s or spouse, government, institutions, and private sponsors.
- G. Implementation of these operational policies through a coordinated, equitable, efficient, and responsive administrative framework.

During the 2023-2025 biennium, the following individuals served on the Higher Educational Aids Board.

<u>MEMBER</u>	<u>REPRESENTING</u>
Jeff Neubauer	Independent College & Universities – Board Representative
Kyle Weatherly	UW System Administration Board of Regents – Board Representative
Veronica Kaluta	Independent Colleges and Universities - Student Representative
Pam Lowrey	WI Technical College System – Financial Aid Representative
Sandra Hyer	WI Technical College System – Student Representative
Susan Teerink	Independent Colleges and Universities – Financial Aid Representative
Robert Bode, Chairman	UW System Administration – Financial Aid Representative

Jennifer Kammerud	Dept of Public Instruction – Superintendent – Designee
Quincy Daniels, Jr, Secretary	WI Technical College System – Board Representative
Jennifer Garrett	Public-At-Large Representative
Sydney Brennan	UW System Administration – Student Representative
Russell Swagger (Ex-Officio Member)	Tribal Colleges

HIGHER EDUCATIONAL AIDS BOARD STAFF

PERFORMANCE AND OPERATION OF HIGHER EDUCATIONAL AIDS BOARD DURING 2023-2025

It is recognized that the staff of the Higher Educational Aids Board (HEAB) is small, yet the responsibility the board has is extremely important to Wisconsin residents seeking post-secondary education. Due to an extraordinary level of expertise and dedication, HEAB staff members continue to be able to meet the high expectations placed upon them by customers, the Administration, and the Legislature. HEAB has been able to successfully carry out its mission to ensure that all students be provided with equal access and diversity in obtaining a higher education and make certain the funds for each program HEAB administers are distributed in a fair, equitable, and timely manner.

Over the two-year biennial period \$268,507,527 was distributed to 126,169 Wisconsin students through programs administered by HEAB. HEAB's detailed year-end report that provides information about our programs can be found on our website at <https://heab.state.wi.us>.

The expansion of communication throughout the higher education community in order to better serve our customers, the student, continued to be a priority for the agency. Improvements to the monthly memos, training workshops, visits, presentations, agency website, and various other forms of communication were made as well as efforts to develop relationships with other agencies and organizations to provide Wisconsin residents with as much financial assistance-related information as possible, and we continue to focus on making improvements.

The Minnesota-Wisconsin Reciprocity program is fully automated. Students can apply for reciprocity online and receive notification of approval or denial in a very short time. The reciprocity program administration is now administered by the University of Wisconsin System.

An agreement with the Department of Revenue has been implemented and the collection of defaulted loans for the Nursing Student Loan, Nurse Educator Program, Teacher Loan, and Minority Teacher Loans is now accomplished through the Department of Revenue.

The 2012 Commission on Financial Aid Consolidation and Modernization was created in 2011 Wisconsin Act 176 to study:

- a. The potential for consolidating all grant programs administered by the Higher Educational Aids Board (HEAB) into a single, comprehensive, need-based grant program.
- b. Options for providing grant aid for students who are attending Wisconsin institutions of higher education at less than full-time credit loads

Act 176 provided for membership of the Commission. HEAB was charged with administering the Commission and assisting the body in its work.

The Commission on Financial Aid Consolidation and Modernization reported its recommendations to the Higher Educational Aids Board, and to the legislature in the manner provided in section 13.172 (2) of the statutes, in a report dated November 30, 2012. The Commission had been required by Act 176 to report by December 1, 2012. Act 176 specified that upon submission of its report, the commission shall terminate its activities and shall cease to exist. A copy of the final report and its recommendations can be found at HEAB's website <https://heab.state.wi.us>.

In the 17-18 budget, we were assigned a new program, the School Leadership Loan Program. This loan program was specific for students who are enrolled in a school leadership program at an institution of the University of Wisconsin system that permits students to earn degrees in less time than a traditional school leadership program and that includes a required mentorship or apprenticeship component. A superintendent of a school district must nominate the student. The loan is forgiven at 25% per year if the recipient is employed in a school leadership position in an elementary or secondary school in this state.

2017 Wisconsin Act 206 created the Dual Enrollment Credential Grant. This grant was for the purpose of assisting high school teachers in covering tuition expenses for courses taken to meet the minimal qualifications necessary to teach dual enrollment courses. The dual enrollment courses were designed to provide high school students with the opportunity to gain credits in both high school and an institution of higher education.

In the 19-21 budget, HEAB was assigned the Health Services Scholarship Program to encourage health services professionals to practice in health shortage areas in the State of Wisconsin. Students are eligible to apply if they are a Wisconsin resident and in their second year or higher of a graduate dental, psychiatry, or medical (including primary care physicians, physician assistants, or nurse practitioners) training program in the State of WI. Upon graduation, the student must agree to practice in a Health Shortage Area in WI for a period equal to 18 months for each annual scholarship.

The 21-23 budget provided us with the opportunity to develop the Nurse Educators Program for the 22-23 academic year. The Nurse Educators Program provides funds to nurses who want to advance their careers to become nurse educators in WI. This program provides funds to nurses who want to get their master's in nursing, Doctorate in Nurse Practitioners, or PhD in Nursing. Once they complete their education, they have an obligation to teach for three years in Wisconsin. If they don't complete their obligation to teach for three years, the funds then become a loan that they must repay. In addition, there are funds available for nursing fellowships and nursing faculty.

During the 23-25 budget years, HEAB obtained funding to rewrite its mainframe system into a cloud-based system. HEAB finished testing early this spring, 2025 and the system went live in the spring. The new system (Grants, Loans, and Scholarship System GLASS) provides modernization to the financial aid community and students attending our institutions in Wisconsin.

**MAJOR PROGRAM GOALS AND OBJECTIVES OF THE
HIGHER EDUCATIONAL AIDS BOARD
FOR THE 2025-2027 BIENNIUM**

The Higher Educational Aids Board (HEAB) will continue to pursue its long-term commitment to providing opportunities for educational access and diversity in obtaining a higher education. It will continue to review its program policies and operational objectives for all state aid programs. HEAB will strive to expand its outreach to increase the awareness and knowledge of postsecondary educational opportunities and available financial assistance programs through the Higher Educational Aids Board. HEAB has always collected and analyzed data related to postsecondary education student financial aid. Reports that reflect this data are developed and distributed annually and available on our website: <https://heab.state.wi.us>.

Goals and objectives that have been set for the Higher Educational Aids Board to carry out over the next two years are extensive. The areas of focus will include addressing changes specific to the 2025-2027 biennial budget; reviewing program policy and potentially pursuing statute and/or rule changes; and continuing to implement technological changes.

The first of HEAB's goals provided in the 2023-2025 budget request was to keep the best and the brightest in the State of Wisconsin. The objective/activity: Academic Excellence Scholarships are awarded to Wisconsin high school seniors who have the highest grade point average in each public and private high school throughout the State of Wisconsin. The number of scholarships each high school is eligible for is based on total student enrollment. To receive a scholarship, a student must be enrolled on a full-time basis by September 30th of the academic year following the academic year in which he or she was designated a scholar at a participating University of Wisconsin, Wisconsin Technical College, or independent institution in the state. The value of the scholarship is \$2,250 per year, to be applied towards tuition. Half of the scholarship is funded by the state, while the other half is funded by the institution.

The second goal is to increase the number of minority teachers in the State of Wisconsin. The objective/activity: The Minority Teacher Loan Program provides loans to Wisconsin residents, minority, undergraduate junior, or senior who are enrolled at least half-time in programs leading to teacher licensure at independent or University of Wisconsin institutions. Students must be enrolled in programs leading to teacher licensure in a discipline identified as a teacher shortage area for the state of Wisconsin by the United States Department of Education and have an overall GPA of 3.0 or higher based on a 4.0 scale. The maximum award per year is \$10,000 with an overall maximum of \$30,000. According to the statutes, a minority student is defined as a student who is an African American, American Indian, or Alaskan Native, Hispanic, Asian or Pacific Islander Origin, or two or more races. The student who participates in this program must agree to teach full-time, in an elementary or secondary school, or tribal school in a Wisconsin school district with a 40% or higher minority student population. For each year the student teaches in an elementary or secondary school or tribal school, 25 percent of the loan is forgiven. If the student does not teach in an elementary or secondary school or tribal school, the loan must be repaid at an interest rate of five percent.

Given the size of the agency, the reliance on technology to fulfill responsibilities has been vast. In December 1999, the President signed the FAFSA Simplification Act, which changed the FAFSA (Free Application for Student Financial Aid) to be simpler and less complicated. The FAFSA collects data from students and their parents to provide the Student Aid Index (SAI) that replaced the Expected Family Contribution (EFC). The SAI determines a student's eligibility for Federal and State financial aid. The Simplification Act became effective in the 24-25 academic year. For HEAB to ensure compliance with the upcoming changes to the FAFSA, HEAB worked with DOA and has contracted with a private vendor (Goldbridge Partners, Inc.) to write a new modernized Student Financial Aid system that will take our mainframe system to a cloud-based system written in .NET. This Student Financial Aid System will also ensure compliance with the upcoming changes to the FAFSA. The primary objectives of the new system include increasing efficiency and minimizing manual intervention through system automations; enhancing security, data integrity, and consistency across programs; improving portal capabilities; and streamlining our existing processes through system functionalities. In addition, the new system will permit simple modifications and maximum flexibility to support changes in award formulas and the addition of future programs or agreements. The loan program testing began in October and is planned to be fully implemented very soon. Completion of this project is scheduled for December 2025.

ALTERNATIVE WORK SCHEDULES

The agency also encourages the utilization of Alternative Work Schedules such as flex-time, part-time, and shared time schedules to increase productivity, extend services, reduce absenteeism, improve employee morale, allow for employee development, and to maximize energy conservation through ride sharing and use of mass transit systems. The agency recognizes that Alternative work schedules may provide opportunities for individuals to utilize their skills, talents, and abilities. It recognizes that a traditional full-time work schedule may not meet the needs of individuals who, due to age, health, or family circumstances, find such a schedule in conflict with responsibilities outside of work. The agency updated its alternative work schedule this spring, which is supported by alternative work schedule-related statutes and rules.

Dear Secretary Kathy Blumenfeld:

Enclosed is the 2024-2025 Annual Status Report for the Minority Undergraduate Retention Grant Program. Submission of the report is in compliance with Section 39.44 (5) of the Wisconsin Statutes, which requires an annual report on the effectiveness of this program.

If you have any questions about this report or about the Minority Undergraduate Retention Program, please feel free to contact me by e-mail at tammie.devooght@wisconsin.gov or phone at (608) 267-2206.

Sincerely,

Tammie DeVooght Blaney

MINORITY UNDERGRADUATE RETENTION GRANT

2024-25 ANNUAL REPORT

State of Wisconsin
Higher Educational Aids Board
October 2025

**MINORITY UNDERGRADUATE RETENTION GRANT
2024-25 ANNUAL REPORT
Higher Educational Aids Board**

The Minority Undergraduate Retention Grant (MURG) Program was established by the State of Wisconsin Legislature in the 1985-87 biennial budget. The first award was made in the 1986-87 academic year. Minority Undergraduate Retention Grants are awarded to Wisconsin resident minority undergraduates, excluding first year students, enrolled at least half-time in Wisconsin Technical College System schools, non-profit independent colleges/universities, and tribal colleges.

Awards are based on financial need, with a minimum grant of \$250 and a maximum grant of \$2,500 per year. According to statute, a minority student is defined as a student who is a Black American, American Indian, Hispanic, or Southeast Asian from Laos, Cambodia, or Vietnam admitted to the United States after December 31, 1975. If eligible, a student may receive the grant for up to eight semesters or 12 quarters.

Funds are allocated to the Wisconsin Technical College System and the Independent/Tribal Colleges and Universities based on the prior year's minority student population as reported by each participating school. For the 2024-25 academic year, fifteen technical colleges, nineteen independent, non-profit colleges/universities, and both tribal colleges received a Minority Undergraduate Retention Grant allocation. The University of Wisconsin System Administration has a similar program, the Lawton Grant, for students attending a University of Wisconsin institution.

During the 2024-25 academic year, 757 students received a Minority Undergraduate Retention Grant award. 236 grant recipients attended a non-profit, independent college/university or tribal college, and 521 recipients attended a Wisconsin Technical College. To gauge the effectiveness of the program, surveys were sent to both the participating schools and the grant recipients. Results of the participating school survey are found on page 2, and the grant recipient survey results are found on page 7.

The graph and tables throughout this report detail the 2024-25 Minority Undergraduate Retention Grant Program:

- Table I: Educational Progress of Grant Recipients as Reported by Participating Schools
- Table II: Top Five Colleges or Universities Based on Funding Provided to Students
- Tables III and V: Spending by Independent/Tribal Schools and WTCS
- Tables IV and VI: Recipient Demographics for Independent/Tribal Schools and WTCS
- Table VII: 2024-25 Minority Retention Grant Recipient Survey Results

The data collected and the results of the grant recipient survey demonstrate that the Minority Undergraduate Retention Grant is highly successful. Participating schools reported that 74.24% of grant recipients either completed their degree/certificate programs or will continue to work towards degree/certificate completion during the 2025-26 academic year. Ninety-seven percent of the grant recipients who responded to the survey indicated that they either earned a degree or certificate during the 2024-25 academic year or will return to school to continue to pursue their educational goals. In addition, 94.74% of the recipients indicated that they planned to spend the majority of their working life in the State of Wisconsin.

**MINORITY UNDERGRADUATE RETENTION GRANT
2024-25 ANNUAL REPORT**

TABLE I: Educational Progress of Grant Recipients as Reported by Participating Schools

Independent Colleges and Universities/Tribal Colleges/Technical Colleges

COMBINED DATA:	NUMBER	PERCENTAGE
Students who completed a degree/certificate in 24-25	283	37.38%
Students enrolled for 25-26 and continuing toward degree/certificate	279	36.86%
Students not enrolled for 25-26 who did not complete degree/certificate	195	25.76%
COMBINED TOTALS	757	100%
INDEPENDENT COLLEGES AND UNIVERSITIES/TRIBAL COLLEGES:	NUMBER	PERCENTAGE
Students who completed a degree/certificate in 24-25	70	29.66%
Students enrolled for 25-26 and continuing toward degree/certificate	121	51.27%
Students not enrolled for 25-26 who did not complete degree/certificate	45	19.07%
TOTALS	236	100%
TECHNICAL COLLEGE SYSTEM SCHOOLS:	NUMBER	PERCENTAGE
Students who completed a degree/certificate in 24-25	213	40.88%
Students enrolled for 25-26 and continuing toward degree/certificate	158	30.33%
Students not enrolled for 25-26 who did not complete degree/certificate	150	28.79%
TOTALS	521	100%

Note: The students reported as “students not enrolled for 25-26 who did not complete degree/certificate” were not enrolled in the reporting institution at the time the data were collected. The students may have enrolled at a later date or enrolled in a different institution.

2024-25 Minority Undergraduate Retention Grant Recipients:

“Receiving the Minority Undergraduate Retention Grant allowed me to attend college and take a significant weight off my school and work/life balance. Without the grant, I would not have been able to apply myself to my studies and achieve the high honors that I did. I am extremely grateful for this opportunity. As a minority, receiving this grant empowered me to try new things, make good decisions, and set goals.”

---Isabel, Northeast Wisconsin Technical College

“As an older, non-traditional student, getting the Minority Undergraduate Retention Grant was important to me, so I could set an example and show my kids, and the youth in my community, that education is important and it’s never too late to learn.”

---Gena, College of Menominee Nation

Dear Representative Born and Senator Marklein:

Submission of this report follows Section 39.41(7) of the Statutes which requires a yearly report regarding the Academic Excellence Scholarship Program. In addition to presenting final 2024-2025 data, preliminary data is included for the freshmen who will enroll in 2025-2026 as the thirty fifth class of scholars since the inception of the program.

If you have any questions about this report or about the Academic Excellence Scholarship Program, please feel free to contact me by e-mail at tammie.devooght@wisconsin.gov or phone at 267-2206.

Sincerely,

Tammie DeVooght-Blaney
Executive Secretary

2024-2025
ACADEMIC EXCELLENCE SCHOLARSHIP PROGRAM
Annual Status Report
September 15, 2025

Ninety-one percent of the freshmen awarded the Academic Excellence Scholarship (AES) in 2024 accepted the scholarship and used it to attend a Wisconsin post secondary institution. The percentage of freshman who used their scholarship is more than that of last year. It may be assumed that the procedures for awarding the AES to alternates have maximized the number of scholarships used, and that an average of 92% of scholarships will be accepted by students in upcoming years.

In 2024-2025, 744 freshmen enrolled in a Wisconsin post-secondary institution. Total AES funds going to these students were \$801,002 with an average per freshman award of \$1,076.

Six tables are attached, showing final figures for 2024-2025, along with preliminary data for 2025-2026.

- Tables I, II, and III present enrollment by sector (University of Wisconsin, Wisconsin Technical Colleges, and Wisconsin Independent Colleges and Universities.) These figures represent the students who received AES program funds.
- Table IV presents a grand total for the three sectors.
- Table V presents general information such as the number of scholars using their award to attend a Wisconsin college or university.
- Table VI gives preliminary information for 2025-2026 freshmen.
