## NEP Awards

The purpose of this document is to explain the awarding procedure for the NEP program.

- 1) Determine if the student is full time or part time, according to the Nursing Department's definition.
- 2) Determine if the student is new to the program (1<sup>st</sup> Year) or has received a previous award under this program (After 1<sup>st</sup> year).

	PHD	DNP	MSN
Full Time 1 <sup>st</sup> Year	50,000	40,000	30,000
Part Time 1 <sup>st</sup> Year	25,000	20,000	15,000
Full Time After 1 <sup>st</sup> Year	25,000	20,000	15,000
Part Time After 1 <sup>st</sup> Year	12,500	10,000	7,500
Lifetime Limit	100,000	80,000	60,000

An award is split evenly over the Fall and Spring terms. The award does not disburse fully in one term. Summer Term disbursements will not be allowed at this time.

Initial single term year: If a student only attended one term during their first year, they are eligible to receive one term at the 1<sup>st</sup> Year higher award rate. If continuing to a second term, the award then drops to the After 1<sup>st</sup> Year rate.

Once a student completes a program, they are ineligible for additional funds.
