Update on GLASS

We are continuing to work on – our legacy data integration and conversion. AES and TES programming is continuing – high schools will enter the names of the students directly into GLASS. Training materials to log into the system will be sent out soon. In September we will be sending out the information about how to log into the system and begin training.

First Voucher

The first voucher for 24-25 will be next week on August 13, 2024. Funds may be requested on August 7 for the fall semester.

Final Notification list 23-24

The final year-end notification list will be run on Thursday, August 8, 2024.

Non-resident ISIRs

We are unable to request non-resident ISIRs from the FAFSA Partner Portal. Barb is keeping a list of the requests sent in by the schools and will request them as soon as possible. In the meantime, please continue to send in your non-resident ISIR requests as they come up.

Refunds

When sending in your refunds please include the list of students being refunded. To safely send HEAB your refund spreadsheet, please go to the [HEAB website](#), to the Administrator tab, under Processing Schedule, at the bottom of the calendar, you will find the Voucher Instructions. The Voucher instructions will show you how to log into the secure site to send sensitive student data. *If we receive a refund check and **do not receive a list that matches the amount being refunded within three weeks**, we will be sending the check back to you.*
